PROFESSIONAL EXPERIENCE

The Dow Chemical Company, Midland, MI

UI Designer, September 2015–April 2016

Served as the sole designer of the Information Research department within R&D to execute high fidelity mockups from Balsamiq wireframes to be implemented by departments across Dow. Developed web application pages using Durandal, KnockoutJS, RequireJS and JayData.

UI/UX Design and Development Intern, May 2015–August 2015

Developed user interface mock-ups for the global R&D department. Attended weekly scrum meetings to discuss tasks regarding current projects.

Wiliam, North Sydney, Australia

Web Design Intern, March 2014–June 2014

Worked with the design team to create site mock-ups. Sat with the production team during meetings with clients.

Daily Illini, Champaign, IL

Photo Editor, March 2014–March 2015

Oversaw the photo department and managed a staff of eighteen photographers. Conducted photo shoots for spreads. Collaborate with other desk editors to create pages for print and web.

Web Editor, September 2013–February 2014

Managed the DailyIllini.com website. Updated the content on the website everyday. Published articles and multimedia elements online.

College of Fine and Applied Arts IT Help Desk, Urbana, IL

IT Consultant, October 2012–May 2015

Troubleshoot issues with hardware, software, and peripherals on Mac and PC for faculty and staff. Solved problems under pressure on extremely tight deadlines. Leadership role amongst student staff while serving as a mentor.
